

New Look Market*

Looking forward to August? We are!

Over the past 9 months our regular visitors will be aware that the market has faced disruption due to the footbridge upgrade at the station. This is to allow easy, step free access to both platforms for all customers. Having watched the work progressing over this time we are excited and hopeful that it will be completed in time for our next market on Sunday the 4th of August. We will have a slightly new layout due to the new space we have available but we very much hope to have everyone under the one roof again to create that amazing market atmosphere that is unique to **DFM**.

***Hopefully**

Trader News

What's Fresh...

Over the last 8 years John Watt and Son have been providing the market with the very best in freshly roasted coffee and hot drinks. Peter, the former DFM Chairperson (twice) and Carol have put in an enormous amount of work over the years for the market and were instrumental in keeping the market throughout the pandemic. Due to their other ongoing business commitments we are sad to announce that our August market will be their last. We would like to thank them both very much for all their hard work and wish them the very best for the future. Please pop along on Sunday the 4th to stock up and wish them well! Although John Watts are moving on we are working hard to ensure customers will still be able to come along and enjoy a hot drink, more info to follow.

DFM would like to wish Kerr Little of **The Little Bakery** a very **Happy 80th Birthday!** Probably the hardest working man in D&G Kerr is known across the country for his award winning pies!

At the time of writing, his social media page had garnered hundreds of birthday wishes showing just how appreciated he is! Many Happy Returns!
