

Spring into Action

March

Last month saw a fantastic start to our market year. While we were down on trader numbers slightly we were very much up on customer numbers which is fantastic news and even more proof there is an appetite for high quality locally produced food! Carry on reading for some Trader News, a very special charity stall and handy parking tips.

Exact trader list may vary from advertised. Visit the traders page on our website for all our regular traders contact information, [Click here](#).

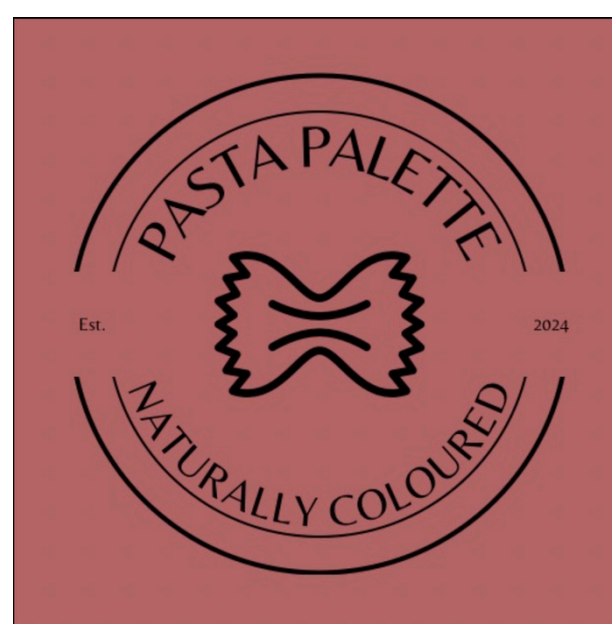

Trader News

We are very excited to introduce...

Pasta Palette Co.

Charli specialises in creating vibrantly coloured Pastas from natural ingredients. All made in small batches the recipes utilise local and seasonal vegetables to obtain the stunning colours. This is a truly unique product that we cannot wait for you to try.

Why not try this along with a 'Pasta Bomb' from Lee at Stonehouse Smokery for a quick and easy midweek meal?

Midge Porter Design

Midge Porter Design has a variety of handmade and hand-dyed craft products on her stall. Included are her range of 'Peedie Naturals' baby/ toddler soft shoes (booties). They are made using various breeds of pure wool from Scottish small-scale producers and have wonderfully soft sheepskin/ fleece soles.

Charity Stall

Supporting local causes

At our next market we will be welcoming fundraisers from **Applegarth Primary School** and the associated Parent Council. They have been working hard on producing a school cook book which they will be selling at the market. Along with a raffle and other activities they would be thrilled if you were come along and offer them support. There will be plenty of people on the stall so if you have any culinary questions please feel free to ask!

Market Parking

Planning your trip to our market...

With the recent increase in customer numbers to the market and following some feedback from customers we would like to highlight the best places to park for the quickest and easiest access to the market. Highlighted in blue on the map.

Station Road

This is the Carpark in and around the Station Hotel and Platform 1. This tends to get busy quickly but offers step free access to the full length of the market. There is no customer parking at the top end of the market (shaded in purple on the map) as this is reserved for Scotrail Staff.

Platform 2 / St Mary's Industrial Est.

The carpark on Platform 2 side of the station is quite often empty. This also offers step free access to the market via the new wheelchair accessible footbridge with the lift opening directly into the very centre of the market. More parking is available in St Mary's Industrial Est.

Loreburn Street / Newall Terrace

Both these streets have free public carparks and are a short 5-10 minute walk from the station.

Our peak times are between 11am & 12 noon and with the market closing at 2.30pm there is plenty of time to come along later. Why not bring the dug?

Getting involved

Be part of the market community...

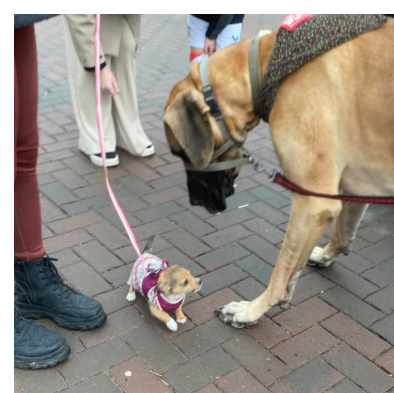

Dumfries Farmers' Market is a true celebration of all the amazing produce we have to offer. There is truly something there for everyone. The popularity of the market creates an amazing relaxed atmosphere and the perfect place to meet friends for a spot of shopping or Sunday brunch. How can you get involved?

Do you have a favourite trader? - Why not tag them (and us) in a photo of your purchases?

Enjoyed your visit? - Why not leave us a review on Facebook or Google?

Did you bring your Dog along?

Why not pop up a quick picture onto our facebook page. The pup with the most likes will be awarded a special treat from the **'Hungry Hounds Bakery'** stall! One winner per month. Please see our social media posts for further details. Please make sure to tag us so we can see the post to be included in the competition.

Do you follow us on Facebook or Instagram? - Keep up to date with our next market. Interacting with our social media posts helps spread the word and get our message out there!

Coming along in person? - Why not bring a friend that may not have been before?

However you get involved we hope that you enjoy what we have to offer. The next market is Sunday 2nd of March, 10.30am to 2.30pm, Dumfries Railway Station, Platform 1.
